

Reception Home learning Plan: Week beginning 3/5/21

Learning activities are listed by day, with each day consisting of English, Maths and one other subject.

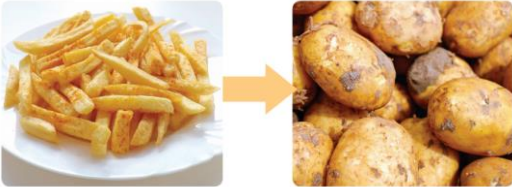

In addition to these daily learning activities, your child should continue to practice their reading and phonics/spelling. Year group spelling lists are available on the school's website. If you would like additional work, the Year group's homework and Millhouse Milestones can also be found on the website.

Free levelled reading books can be found on the Oxford Owl website: <https://home.oxfordowl.co.uk/reading/>

www.phonicsplay.co.uk - this can be used for practising sounds – phase 2 and 3.

	English	Maths	Other
	Bank Holiday		
Tues	<p>Speaking and Listening activity – what food from the supermarket/shops comes from farms in this country?</p> <p>You can scribe the ideas for them, they could draw their ideas or write a list.</p>	<p>https://whiterosemaths.com/homelearning/early-years/to-20-beyond-week-1/</p> <p>Lesson 1</p>	<p>Some People think the moon is made of cheese – what do you think?</p>  <p>Where does Cheese come from? https://www.youtube.com/watch?v=NUMLRNLe9wE</p> <p>And no, the moon is not made of cheese!</p>

<p>Wed s</p>	<p>Food to plate BBC bitesize This looks at milk and where it comes from https://www.bbc.co.uk/bitesize/topics/zfmpb9q/articles/z4tbn9q This looks at tomatoes being made into sauces and mentions wheat www.bbc.co.uk/bitesize/topics/zfmpb9q/articles/zb46jsg</p>	<p>Look at the numbers 11-20 (if your child is not confident to 10 then you can focus on to 10 instead)</p> <p>Write out the numbers on paper to make a set of number cards and then put them in the right order.</p> <p>Draw out matching picture cards to go with them – you can use these for Bingo tomorrow.</p>	<p>Pick a farm produce – milk, eggs, bread, cheese, chips etc – draw a picture of the product and where it comes from</p> <p>e.g.</p>  <p>You can find out how chips are made here https://www.youtube.com/watch?v=fuyyXLLIsvc</p>
<p>Thur</p>	<p>Handwriting and name writing</p> <p>Can you try your surname now!</p>	<p>https://whiterosemaths.com/homelearning/early-years/to-20-beyond-week-1/ Lesson 2</p>	<p>Woolly jumpers – ever wondered where the wool for your jumpers, hats and scarves comes from?</p> <p>It comes from sheep. Watch this video to see how the sheep’s fleece is turned into wool. https://www.bbc.co.uk/teach/class-clips-video/primary-science-how-wool-is-made/zjyb92p</p> <p>Get creative and design your own jumper or set of hat and scarves!</p>
<p>Fri</p>	<p>Practise your Teddy words – read and spell. You could try putting them into a sentence or read them in a book from Oxford Owl.</p>	<p>Practise counting to 20 from any number – you can do this by playing number tennis Adult – 4 5 6 child 7 8 9 Adult 10 11 12 Child 13 14 15 You can start from any number to improve their confidence <u>Extension – try counting back!</u> If your child struggles with counting aloud then start with something like</p>	<p>Try some cosmic yoga on the farm. https://www.youtube.com/watch?v=YKmRB2Z3g2s</p>

		<i>12345 once I caught a fish alive 678910 then I let it go again Why did you let it go? Because it bit my finger so! Which finger did it bite? This little finger on my right Or other number songs</i>
