Millhouse Milestones Introduction

Welcome to our Millhouse Milestones activity passport. Throughout your time at Millhouse Primary School we would like you to complete 20 milestones a year. We feel these milestones will introduce you to a wide variety of experiences and will help you build personal lifelong skills and qualities

throughout your time at Millhouse.

Each year, we will cover 15 milestones in school and ask you to complete 5 at home. The Milestones that need to take place at home are numbered 16 to 20 and are coloured red. If you would like to repeat any of the school milestones at home too, that would be great! When you have completed a milestone you can tick it and date it to show you have met that milestone. If you would like to bring in a photo, artefact or piece of writing for any milestones you complete, we will add them to our Millhouse Milestones board.
