Parent Information

Parent Behaviour

We would like to remind all parents to treat staff, pupils and other parents with respect at all times, including when emailing and telephoning the school. Bad language and shouting will not be tolerated, and we reserve the right to ban parents from the school premises should any of these behaviours be seen or heard.

Summer Menu

Our school dinner menu was updated over the Easter holidays. Please make sure you check the latest options and that your children are aware of the options before they come to school.

Mobile Phones

Just a little reminder that children must make sure their mobile phone is placed in their class phone box during the school day and that no phones are to be used on school grounds.

Attendance

We have a new attendance officer! Mrs Kelleher joined us this week and will be working alongside Mrs Kavanagh this term to take on this role. We welcome Mrs Kelleher to our team!

Just a reminder that our attendance policy & procedures (full and child friendly versions) can be found on our school website.

In the news...

A reminder that photos and information about events and activities that the children have taken part in, will be posted on our school website in the gallery and news sections.

Coming in the next few days...

- Reception children enjoyed a day at the zoo!
- Dragon's Den took place with children pitching ideas for how we can spend our fundraising money to Mr Allen and our Governors!
