Parent Information

Parents' Evenings

These will take place on Tuesday 22nd & Wednesday 23rd October. Please make sure you return your appointment request slip as soon as possible. Parents will have appointment times confirmed on Friday 11th October.

Book Fair

Thank you to everyone who support the book fair last week. We sold over £700 of books which will allow us to buy lots more for the children in their classes.

Macmillan Cake Sale

Another thank you to all the parents and children who supported the cake sale on Friday afternoon. The rain held off and we raised lots of money for Macmillan Cancer Support.

Attendance

Attendance during our recent attendance week was 95.4%, which is brilliant! Last week it had dropped to 93.8%.

Please make sure you do everything to help your child attend school every day.

Being absent from school has a negative impact on your child's learning as well as their social and emotional development.

Football Tournament

Well done to the Year 6 boy's football team who took part in a tournament last week at James Hornsby School.

They played matches throughout the day, with 12 schools from Basildon taking part.

The boys played really well, showing great sportsmanship and resilience and came fourth overall.

A huge well done to the group of staff who took part in the Shine Night Walk Half Marathon (13.1 miles through London) on Saturday 21st September. Despite the wet weather they all completed it by 3am on the Sunday morning and have so far raised £900 for Cancer Research UK. Thank you to everyone who has donated and supported them.

Their page is still open for donations, should anyone want to donate.

Vision Primary Federation Logo Competition

On 2nd September Millhouse, Vange and Kingswood Primary Schools officially formed Vision Primary Federation. To celebrate this and as one of our first joint activities, the Governors would like the children of all 3 schools to design a potential logo for the federation. The winner will have their logo printed and used as part of official federation activities.

Please see the information attached with this newsletter for all the details.
