Parent Information

We would like to take this opportunity to thank you for your support and cooperation this term. It has been an incredibly busy term, and the children have worked so hard and make us proud every day.

This term we have tried to put on more events for parents to attend and this will continue into next term. Our website calendar has all the dates for events etc so please do look – we will include reminders for these on the newsletter.

We have sent out a reminders letter this week as we know it can be tricky juggling everything that happens and we want to maintain the positive start to the year that we had this term. Please do read this so that you know what our expectations and procedures are.

We have increased the number of spaces available for clubs next term, and every child has been given a space in at least one of their choices.

Christmas and holiday times can be stressful, so attached with this newsletter is a list of services that can offer a range of support for parents and children.

Finally, we would like to wish you all a happy Christmas and look forward to seeing you all in the new year (6th January).
