- Year 3 food technology

Parent Information

Class 14 Assembly

This week, class 14 showcased the work they have been doing this year by putting on an assembly for their parents. Thank you to all the parents who came and supported their child.

Young Voices 2025

Also this week, the KS2 choir performed with over 5000 other school children to an audience of 10,000 as part of the Young Voices concert tour. This year, they performed at Wembley Arena for the first time and a wonderful time was had by all!

Caribbean Day

Last week, we celebrated Bob Marley's 80th birthday with a Caribbean themed day. The children enjoyed a tropical menu, learnt about the countries and culture in the Caribbean and finished the day by joining in with the worldwide Bob Marley singalong. Photos can be seen on our website.

Cultural links

We are always keen for our families to share their cultural heritage with us and would like to say a big thank you to Aman and his mum who joined us for an assembly recently and taught the children how to sing in Yoruba, which is one of the native languages of Nigeria.

Rap it! Workshop

Classes 12 and 19 enjoyed a fantastic workshop today, where they learnt how to write and perform their own raps. They were taught by Alex, aka Shy Cookie, who is a professional rap music artist, music producer and DJ. The children all thoroughly enjoyed themselves and it was lovely to see them all engaged and smiling when they performed to each other.
