Parent Information

Year 6 SATS

A reminder that next week is SATS week for Year 6 pupils. Children are invited to come into school at 8:15am for breakfast. They should come in through the door by the Year 2 classes. If your Year 6 child is unwell at all next week, please contact the school office before 8:30am so we can discuss alternative arrangements and support.

Polite Request

We would kindly ask that parents do not approach other children at any time as this has caused distress and is potentially a safeguarding issue.

If you have a concern about a child or parent, please speak to your child's teacher or a member of the senior management team.

Parent Support

ACL are running parent support sessions this month to help parents support their child with emotions and also have a parent group for parents of children with a diagnosis of ADHD or ASD. See the attached flyers for more information.

Half Term Activities

Active Essex are running free half term activities for children. To find and book a place, please see the information below.

Summer Uniform

Please remember to make sure your child is wearing correct school uniform every day. During the summer months, children can wear a yellow checked dress and grey tailored shorts instead of a skirt or trousers. Children must not wear open-toed sandals – only black shoes or plain black trainers.

Children can only wear a small watch (not smart) and small stud earrings. Please leave all other jewellery at home.

We also encourage children to bring a sun hat or cap to wear outside during warmer weather.

Website Updates
