Photos coming soon include KS1 maths trails and harvest assemblies.

Parent Information

Special Menu

On Thursday 2nd October, we will be having a special dinner menu. Details have been sent out to parents today. Children will be able to build their own burger and have a yummy doughnut for dessert!

Morning drop off

Just a reminder that children must be in their classes by their start time. For children in reception, Year 1 and Year 2 they must be in their class by 8:40am and for children in Years 3, 4, 5 & 6, they must be in their classes by 8:45am. Any children arriving after these times are marked as late.

Teachers will be at the classroom doors 5 minutes before the start times and have limited time to speak to parents before they need to start teaching. Therefore, any longer conversations should happen at the end of the day or via the year group email address. If it is urgent, please contact the school office to arrange for the teacher to call you when they are not teaching. Please see our lines of communication information which is on the letters page of our website.

Polite Parking Request

We once again ask that parents park and drive safely and responsibly at all times outside the school. Cars must not be double parked or stop on the white or orange zig zag lines. Any cars not parked appropriately can be reported to South Essex Parking Partnership (<https://www.chelmsford.gov.uk/parking-and-travel/south-essex-parking-partnership-sepp/>).
